**Special Announcements**  
**August 4<sup>th</sup>, 2018**

**Renovations Update!** –We are pleased to report that work on the Church is proceeding albeit a little slower than we had hoped. This week the HVAC company repositioned the air ducts in the sanctuary and the painters have completed the basement and foyer area. The plumber began his work on Thursday and that allows for the tiling of washroom floor and walls. The drywall folks have also been in and the areas needing drywall are nearing completion. This week we took delivery of the stone for the front of the Sanctuary and the foyer. We hope to have things ready for the mason to begin his work early next week. then comes the re-staining of the rostrum floor followed by the installation of the carpet and chairs. There is still much work to be completed and we now recognize that we will need maybe 2-3 weeks still before we can return to our building. Thank you for your patience and prayers. Our Building Committee is working hard and needs to be commended for their efforts.

**Church Grounds** – a reminder to our deacons that we will still require your services to care for the lawns and Church grounds during the period that we are closed. If you are scheduled to be on duty we appreciate your attention to these chores.
