### **Parental Cooperation Needed**

We have noticed a significant number of children who seem to be allowed to roam freely either during or after church. They especially seem drawn to play with the piano, microphones and our new water faucets in the washrooms and the water fountain. Please instruct your children that these are not play toys and that damage may result from their incorrect use. We encourage you to make every effort to know where and what your children are doing at all times! We do not wish to offend anyone so please help us care for the Lord's House..

### **ADRA Indonesia Special Offering:**

The special offering taken last Sabbath at the end of the Church Service amounted to \$ 756.37. Donations can still be made for that relief project. Please place your gifts in a Tithe envelope marked for "ADRA—INDONESIA"

All loose offerings collected today are for the Local Church Budget. If you want your offering to go to other funds please place it in a Tithe envelope and mark it accordingly.

**Red Willow Community Church Second Annual Health Expo.** A free massage is just one of the eight free services offered at the Red Willow Community Church Health Expo. Some of the services featured at the October 21 Health Expo include screening for blood pressure, lung capacity, body-fat analysis and computerized health-age appraisals. Medical health experts will be on hand to help participants know more than just what's wrong. They will show participants practical and simple solutions to preventing and reversing health problems. The Health Expo is free and will run on Sunday, October 21 from 12-4pm in the gym. No appointment is necessary. For more information call 780-458-4644 or email [office@redwillow.org](mailto:office@redwillow.org).
